

A big thank you to everyone whom worked hard to make our 3 different Remembrance services such a success this year. Please do pray that the connections we make at times like this would lead to deeper and lasting relationships, and to faith in Jesus.

Following the tremendous success of our Holiday Club last summer, we are planning to run one again next year, probably in the week beginning 29th July. Please be praying for this already, and planning to be part of our amazing team.

Please pray...

Thank God for the preparations we are putting in place for our brilliant Christmas service this year. Please do pray that things will bear lasting fruit in people's lives.

As we write the government is trying to find agreement about Brexit. Whatever comes of these conversations, please pray for the whole country going forward.

Please pray for the continued growth of our churches as a result of the monthly *Leading Your Church into Growth* evenings in the Church Hall. Come along and join us there!

Please pray for anyone you know to be sick, bereaved, or in trouble of any kind; please do remember that, with their permission, we are very happy to include the names of anyone in our group of villages here. Pray for M, who had a successful first course treatment in London, for Pat, now at home; and for the family of Daphne Ranson, who died on 31st October.
