

Prayer corner

- We are in the midst of the time of year which the Church of England often calls 'ordinary'. Fortunately there is no such time as ordinary in church life, as God is always at work, and Jesus is always doing wonderful things amongst us and in the world. Look around for a moment, and thank God for all that is happening.
- There are always so many things in the news which we can worry about, but the Bible encourages us to pray instead. At the moment there is worse and worse news in Syria, and a really important election in the USA, both of which are good reasons to pray.
- This month members of the PCC s are meeting together in teams to discuss the 3 key areas that we want to concentrate on and grow in as churches: Community, Discipleship and Evangelism. Please pray for us as we do this, and pray about prayer too, where there is some exciting work to do.
- Pray for our new service at Stoke Holy Cross, Sunday 4 Everyone, on the 4th Sunday of the month—we made a great start in September. Thank God for positive changes we have already made to the Praise and Worship service at Caistor.
- Please pray for the following people, and anyone else who are in trouble of any kind:
 - Juliette Jarrold, Joyce & Brian Williams, Viv & David Carrington, all having medical treatment
 - Ann Raines after a small heart attack & stent fitting
 - Judith King, Daphne Ranson, and others receiving residential/ domestic care.

Please let us know of any others to add to this sheet: please ask their permission before giving us their information for printing.
- Pray for the families of those that have died recently, including Angus Mackenzie, Joyce Elmer, and Dick Goose.
