

Saint Remigius, Dunston Photograph Appendix to the Terrier

PLEASE NOTE:

That the original document containing original images was not available.

There was a PDF document containing what appeared to be scanned images of the pages from the original document.

We were able to save each individual page as an image and these were inserted into this new document.

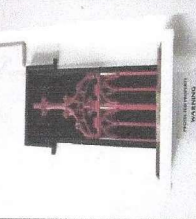

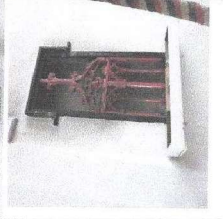

Unfortunately we are not able to update or remove individual photographs.

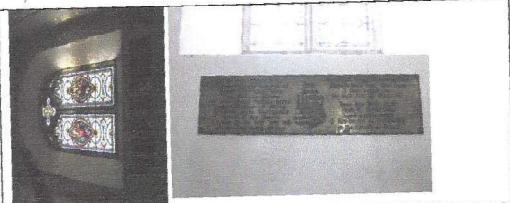

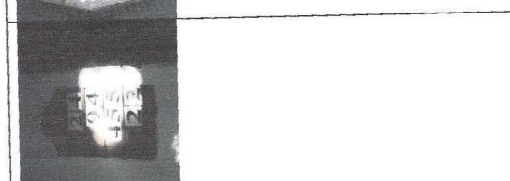

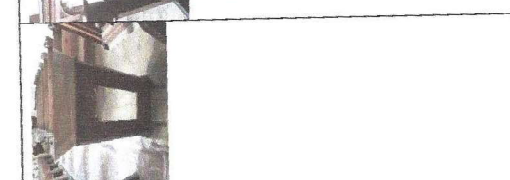

Image 31 – Is not referenced in the Terrier but could relate to the Chancel Stained Glass Windows referred to on Page 7
