

Rob and family will be at New Wine 4th-10th August, and on holiday 17th-31st.

Please pray...

As we continue to dig into chapters at the end of John's gospel, pray that all of us would respond to Jesus's amazing love for us by continuing to remain in him, and that we will bear *much* fruit.

Following the news of the seizure of a British oil tanker by Iran, and the ongoing tensions involving the USA as well, please pray for peace in that difficult situation.

Please keep on praying for the country as a new Prime Minister is set to take office soon, especially, with the continuing challenges of the Brexit process.

Members of our churches are meeting a representative of New Wine at Tearfund to get our new partnership in Kilimanjaro started: please pray that God would work deeply through this new relationship for his glory.

Please pray for anyone you know to be sick, bereaved, or in trouble of any kind; do remember that we are very happy to include the names of anyone in our group of villages here. Pray especially for the families of Tarina Cordy, whose funeral was held at Stoke on Wednesday 10th, and Rodney Martins, at Caistor on Monday 15th.

Lyn has completed the 2nd year since she was ordained, and continues to flourish in the new ministry God has given her. Please keep praying for her and Gary and the rest of the family as she ministers amongst us.
