

Prayer corner

- In the wake of the referendum vote to leave the EU, please pray for the many decisions that will have to be made in the weeks, months and years to come, asking for God's wisdom in all things. Pray for our nation as those who have disagreed, sometimes bitterly, about what is best for our country, try to find a way forward together. Pray that the church will be one in Christ where we disagree with each other.
- Pray for our PCCs as they gather to make important plans for the future on 2nd July.
- Please pray for the following people and any others you know to be in trouble of any kind, and let us know of anyone you would like added to this list: Janet King having a long course of treatment, and those who have had operations in recent months—David Carrington, Paul Reily, Brian Williams & Margaret Mackley. Les Dawson at home after a stroke, and Viv Carrington also poorly. For Sheila Howard, Juliette Jarrold and Monica Broome. For Judith King, Audrey Posford, Daphne Ranson & Peggy Woods, all receiving residential or domestic care. Jim Hopper, suffering with throat problems. Pray for carers, sufferers and helpers involved with the Dementia Café. Pray for the families of those that have died recently, including Margaret Elvin, Sheila Baker, Brenda Peasgood, Douglas Pullen and Elizabeth Cowling.
