Beautiful bonnets!

We often make bonnets at Easter, so why not decorate yourself a fancy hat today?
In the Bible, God tells us to put on "the helmet of salvation" (Ephesians 6). He means that when we are saved, we are safe and protected. Nothing is as strong or powerful as God, and we can remember that he is close to us and on our side.
Choose some flowers, shapes and ribbons to add to your hat.
As you put it on, imagine that you are putting on your helmet of salvation. Trusting God and knowing that you can belong to him.
